*1908 'Romantic' pipe-organ*  
*Casavant Frères Ltd.*

The pipework of this 1908 'Romantic' organ, whose voicing has not been altered in any way since its installation, has a very mellow and beautiful turn-of-the-century sound. All the pipework is intact and in excellent condition, except for the Great \*Trumpet 8'.

In conjunction with the façade from the same instrument, (see Item N° 2 - 1908 Romantic pipe-organ façade), it can be incorporated into a rebuilt pipe-organ with modern components (console, switching and combination action, windchests, winding, etc.).
